

Data Protection Officer:

The German Federal Institute for Occupational Safety and Health is a public authority which determines the purposes and means of the processing of personal data. Due to the General Data Protection Regulation, we are obliged to publish the contact details of our data protection officers.

By publishing this information, we want to ensure that the supervisory authorities and others concerned will find it easy to contact our persons in charge.

It is important for us to ensure compliance with the data protection regulations according to national and European law.

Our contact persons named below will answer any requests regarding our data protection issues.
